

Musical Programs by Will McMillan & Joe Reid

“Thank you for a fantastic performance Sunday night!
I have gotten a lot of positive feedback about you both. Do you have other programs?”
— Lisa Ramsey, Program Director, Fuller Village, Milton, MA

Over the past six years Will (photo right) and Joe (photo left) have put together twenty-two one-hour musical programs which they have been performing at retirement communities, libraries, synagogues, coffee houses, senior centers, memory cafes, and restaurants.

Their presentations are both educational and entertaining — and include many opportunities to sing-along with some of the most beloved songs written during the 1900s - 1950s. Attendees leave with a smile on their face — and humming a favorite song. In fact, Joe and Will’s musical visits have proved to be so popular that they have been invited to return to many retirement communities up to five times per year. Each program includes a few stories about the featured songwriter or performer and how certain songs came to be created.
